#SUCCESS STORIES

" We were considering shifting from Cbse to IB. The practical guidance and advice by Shailey was most valuable. He gave us realistic advice that helped us evaluate our situation better. He went an extra mile to lend clarity. "

And we are still counting

" I have recently joined the coaching. I take economics and psychology, both teachers help me so much. I can definitely say I have improved drastically in economics after joining these classes. And my interest in psychology could never be higher than it is now. Thank you Mr. Shailey and team. "

SEE HOW IT WORKS

- Get entire course at your screen

The screenshot shows a digital course interface. On the left is a sidebar with a 'Back' button and a course overview for 'Numbers and Algebra AA HL' (8 Chapter(s), 38 Lesson(s), 0% progress). The main content area is titled '1.1.1 Rounding of Decimal Places' and includes a 'Complete and Continue' button. Below the title is a paragraph of introductory text. A 'Rounding of Decimal Places' section contains a PDF viewer with the title 'Rounding of Decimal Places' and a 'View PDF' button. To the right of the PDF viewer is a 'Rounding Decimals' box with instructions: 'Find your place and look next door. 5 or greater, add one more. All digits in front, stay the same. All digits behind, zero's the name.' Below this is an example: 'Round 1.362 to the nearest hundredths. 1.362 → 1.360. 6 is at the hundredths place. We look next door and find the number 2.'
