SEE HOW IT WORKS

- Get entire course at your screen

The screenshot shows a course interface for '1.1.1 Rounding of Decimal Places'. On the left, a sidebar lists course sections: '1.0 Raise an Inquiry', '2. 1.1 Rounding Numbers Toolkit', and '1.1.1 Course Outline'. The '1.1.1 Rounding of Decimal Places' section is highlighted. The main content area displays the lesson title, a brief description, and a 'Rounding Decimals' box with instructions: 'Find your place and look next door. 5 or greater, add one more. All digits in front, stay the same. All digits behind, zero's the name.' Below this, an example shows '1.362' being rounded to '1.360' based on the digit '6' in the hundredths place. A 'View PDF' button is also visible.
